CENTRAL COAST NSW

Regional Development Australia Business Central boasts a contemporary meeting facility, with rooms available for hire by local, private or regional businesses.

Located in an idyllic bush setting on the University of Newcastle Central Coast campus, the dedicated meeting facility includes a large boardroom with an additional separate private meeting room.

With state of the art equipment and spacious rooms, the conference facility can provide the ideal location for your training, meeting and presentation needs.

THE BOARDROOM

The boardroom is the perfect location for those meetings that need a little extra room.

The room can accommodate up to 70 people and features a range of modern equipment and technology making it perfect for presentations or video screenings, workshops, training sessions, conferences or large meetings.

The room includes the following features:

- 10 x rectangle boardroom tables
- 2 x semi-circle boardroom tables
- 36 chairs
- Electronic whiteboard
- Projector screen & ceiling mounted projector with ceiling speakers
- PA system with cordless microphone
- Laptop PC for data/DVD projection
- Telephone line
- Internet connection
- Bar fridge
- Tea & coffee making facilities.

Additional equipment is also available for hire.

THE MEETING ROOMS

The Regional Development Australia Central Coast meeting facility also provides a smaller meeting room which is ideal for private meetings.

Seating up to 10 guests, the room offers a great environment to meet with clients, staff or associates. The rooms includes 10 chairs and a table, as well as whiteboard and presentation equipment.

“The meeting room facilities at Business Central are perfect for training, conference and meetings or for hosting workshops and information sessions and are available for hire by any local businesses, committees, groups or locals”

ADDITIONAL FEATURES

Additional equipment hire for either rooms is also available and organised through Regional Development Australia Central Coast.

This can include:

- Laptop PC
- Data/DVD projector
- PA system with cordless microphone
- Internet / Telephone / Fax access
- Electronic whiteboard.

Kitchen facilities are available for hirers free of charge, with tea and coffee facilities included for both rooms. There is also access to a fridge/freezer, microwave oven, dishwasher and stove located in the larger Business Central kitchen nearby the meeting room facilities.
