

Central Coast Region 491 Skilled Occupation List

- * This list is updated regularly and may be changed without notice. Your occupation must be on this list when you submit your application.
- * As this list is updated regularly there may be differences between the current Central Coast list and the copy provided by the NSW Government. Applications will need to adhere to the current Central Coast list. Occupations on the copy provided by NSW government but not on the Central Coast list will not be accepted.
- * It is important that the skilled occupation on your application matches the occupation that is entered in SkillSelect. If these do not match, you cannot be nominated to apply from the NSW Government.
